

The South Thames Sickle Cell and Thalassaemia Network (STSTN) is a new haemoglobinopathy collaboration led by Consultant Haematologists and Paediatricians at King's College Hospital, Evelina Children's Hospital and Guy's and St. Thomas' Hospital NHS Foundation Trusts.

Our goal is to improve the patient experience by offering better treatment outcomes for people with sickle cell disease and thalassaemia.

The network also provides educational events and peer- support for consultants, medical trainees and other healthcare professionals involved in the care of patients with red cell disorders

Supported by King's College Hospital Charity, the UK Forum on Haemoglobin Disorders and Roald Dahl's Marvellous Children's Charity

To subscribe to STSTN please send an email to: info@ststn.co.uk
